This appeal is filed against the award in L.A.R.No.46/1990. It is the common award passed in three cases. Awards in other two cases are already upheld and in some of the connected cases and relied on cases appeals were filed by both sides and that cases were remanded. After remand higher amounts were passed. In the above circumstances, we see no ground to interfere in the award of the Land Acquisition Court at the instance of the requisition authorities and hence this L.A.A. is dismissed.
